

Folsom Elementary Before and After Care Information

Welcome to the 2020-2021 school year! Folsom Elementary will continue offering Before School Care and After School Care again this school year; however, it will look a little different. To meet the new operating standards aligned with the CDC recommendations new restrictions will be put in place.

Although we start the 2020-2021 School Year Safe Start Days on Tuesday, September 8th, 2020, please note that we will not begin Before Care and After Care until MONDAY, SEPTEMBER 14TH, 2020.

Drop-ins will not be allowed this year. We must maintain static grouping to the greatest extent possible. Therefore, there will be no daily rates, only weekly rates.

BEFORE SCHOOL CARE 7:00-8:00 AM

The charge for Before School Care is \$20.00 per week, due on Friday of each week.

Students participating in the Before Care Program will need to be walked into the gym and signed in by a parent/guardian. They will be given a health screening at that time.

AFTER SCHOOL CARE 3:31-5:30 PM

The charge for After School Care is \$40.00 per week. There will be no daily rates.

The After School Care Program will start at 3:31 when school ends and be available until 5:30 pm. If you arrive after 5:30 pm there is a late fee of \$1.00 per minute for each child until picked up. Cellular phone time is used. Please contact the program director if you will be late. After 3 late pick up days childcare services will be terminated for the duration of the school year. Students not picked up from after-care after unsuccessful attempts to contact the parent will be turned over to the local police department.

Children must sign themselves in and must be signed out by a parent/guardian. The only people allowed to pick up the children are those on the after-care registration form. No phone calls to add people on will be permitted. A written request must be made to add a person to the check-out authorization list and must include the person's full name and phone number.

During after-care, the students will be given a snack and juice provided by the cafeteria. Pick up will either be in the school gym or on the outside playground. After care will **NOT** be offered on half-days or on the last day of school.

BEFORE AND AFTER SCHOOL CARE Phone Number is (985) 796-9409.

PAYMENTS-Payments for both programs will be due on Friday. If you owe for the prior week, your child will not be allowed to attend until the previous week's payment is received. My Payments Plus Online is an option for payments. Make sure to click Before Care and After Care when making payments. Please make checks payable to Folsom Elementary School. A SERVICE CHARGE will apply for any NSF checks. Then all payments thereafter must be paid in CASH. Please put your child's name and after-care on the memo line on your check. Be aware, if you have a past due balance from the previous school year, it is due the first week of school and your child will not be allowed to start attending the program until the balance is paid.

Be aware that children will be in a different static group in before and after care than they are in their classrooms during the instructional day. However, they will remain in the same static group in before and after care. In addition, social distancing requirements apply. Students in 3rd grade or higher must wear masks.

In order to ensure the safety of all children, every student is expected to follow the school rules and regulations that they follow during regular school hours. All must adhere to these rules and regulations in order to continue to participate in the program. Students who consistently choose to act in an inappropriate manner at Before or After School Care will not be allowed to attend. Severe infractions may warrant immediate removal from the program.

To register your child for the program, please complete the registration form and return it to school. The registration form can be found online at www.folsomelementary.stpsb.org or it can be picked up at the drop box on the front porch of school. The registration form must be received by the program director before attending.

For questions regarding the program, please call (985) 796-3820 or email ann.brown@stpsb.org.
